Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others. For more information about LifeGroups at Compass Bible Church that utilize these questions as the basis for their weekly discussion, please visit compasshillcountry.org/lifegroups or email us at info@compasshillcountry.org.

1. Read 2 Corinthians 4:16–5:2. How have you neglected the responsibility to know the future reality of your faith? What can you do to better equip yourself to know the future glories that await every Christian?
2. Read Philippians 3:17–21. How does this scripture describe the relationship between how to live on earth while also anticipating your eternity? Write down three things you can do regularly to live every day in view of eternity?
3. Read Revelation 7:9, 19:14, 20:6, and 1 Corinthians 6:2-3. According to these verses, what are some of the future historical events Christians will participate in during Christ's Earthly reign? How does your participation in the future reign of Christ influence you to get serious about your place in Christ's kingdom?
4. Read Revelation 22:3-5 & Daniel 7:18. How do these verses describe what eternity will be like for the believer? How does God's revelation of the believers' eternal responsibilities encourage you to start living today with your focus on eternity?

And everyone who has left

receive a hundredfold and will
inherit eternal life. But many
who are first will be last, and
the last first.
