# Application Questions

*These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others. For more information about LifeGroups at Compass Bible Church that utilize these questions as the basis for their weekly discussion, please visit [compasshillcountry.org/lifegroups](http://compasshillcountry.org/lifegroups) or email us at [info@compasshillcountry.org](mailto:info@compasshillcountry.org).*

1. Read 1 Corinthians 4:4-5 & Galatians 6:7-10. How do the future and complete justice of God change the way you view your work environment? What are two things you can do this week to remind yourself of God's evaluation of your work?

2. Read Leviticus 19:15 & James 2:8-9. What are some consequences you have seen when you have shown sinful partiality towards someone over another? What are three helpful tactics to help you make sure you do not favor one person over another?

3. Read Ephesians 6:9, Mark 10:42-44, & Daniel 4:30-33. How have you seen servant leadership be more effective than the 'natural born leader'? What changes would you see in your work if you remembered that you and everyone else have the same master, Christ?

4. What is one final observation and application you got from the sermon you found helpful?
